*"Energy that comes
from the stars"*

18
2 | 37

(wǐ-chá-pē ō-wēń-zhǎ)

Literally, "wicaŋpi owinja" translates from the Lakota to mean "star cover." Idiomatically and spiritually speaking, however, it's "energy that comes from the stars," and the Lakota reserve the gift of the star quilt for those of high esteem or those held closest and dearest in the heart. The blue shades in this print are done to reflect the varying shades of the sky, but it's one of the many color variations employed in the rich Lakota Indian culture.
